Message by the Dean

Faculty Introduction

Basic Medical Sciences (at the Main Campus)

Clinical Sciences at Hamdard University Hospital (Taj Medical Complex), KVSS, S.I.T.E Hospital, Sindh Rangers General Hospital Karachi.

Dental Sciences (at Hamdard University Dental Hospital)

Admission Policy & Procedure Course Outlines (Graduate and Post Graduate)

- Degree Program**
- **Bachelor of Medicine and Bachelor of Surgery (MBBS)**
 - **Bachelor of Dental Surgery (BDS)**
 - **M.Phil.**
 - **Ph.D.**
 - **FCPS Part II Training Program**
Surgery, Obstetrics and Gynaecology,
Orthodontics, Prosthodontics and
Operative Dentistry

**Message by the Dean
Prof. Dr. Abdul Rauf Memon**

Hamdard College of Medicine & Dentistry aims to provide a holistic approach to medical education. We realize that our students are in a very important period in their lives, and their stay with us will have very profound repercussions not only in their future lives, also to their families and ever widening spheres of influence as they mature into more and more useful member of our society. During their four or five years of stay with us, we endeavour to impart modern medical teaching with a view to make them elegant yet humble doctors and dentists, ready to face the challenges of serving the underserved population of our country in addition to being able to look after their own immediate families.

From the coming academic year, we plan to initiate a fully integrated curriculum, encouraging our students to consider the whole patient in the settings of their surroundings and communities from the start of their medical education. Our entire faculty emphasizes a team based, patient centered approach. At the moment we are also focusing on improving and modernizing our facilities at all the departments of the College.

We encourage prospective students and their parents/guardians to visit our website and also to physically visit us. Teaching to students is provided at Madinat al-Hikmah and at Hamdard University Hospital, Hamdard University Dental Hospital and two other affiliated hospitals, KVSS S.I.T.E. Hospital and Sindh Rangers Hospital, Karachi. We are also in the process of building another modern and well equipped hospital with a view to providing excellent quality affordable healthcare to our populace and for teaching of our students and help fulfill the dreams of our founding Chancellor, Shaheed Hakim Mohammed Said.

Introduction

Hamdard College of Medicine and Dentistry (HCM&D) is one of the most reputable Medical Institution of Pakistan located amongst the lush green lawns in the main campus of Hamdard University. It has kept up to its fame because of its clean refreshing atmosphere, sound academic and recreational facilities, and above all its trained and experienced faculty and facilitating faculty using updated teaching methods.

It trains students at both undergraduate (MBBS & BDS) as well as post graduate levels. The training programmes have been designed to equip the graduates and the post graduates with enough required theoretical knowledge, psychomotor skills, and clinical acumen in order to produce well-disciplined, knowledgeable, motivated, hardworking doctors, capable of not only serving the humanity according to the expectations but also to compete well with the best available human resource in the field.

From 1994 till today 20 Batches (1789 students) of MBBS and 16 batches (541 students) of BDS have been graduated. The students include those from all over Pakistan as well as foreign students from brotherly and friendly countries like Saudi Arabia, Bahrain, Iran and other countries like Nepal, Canada, America, etc.

The graduates are performing excellently in various institutions within the country and abroad raising the flag of Pakistan and strengthening its ties at both governmental and community levels. Many of them have won laurels for this institution by bringing excellent results in examinations like FCPS, FDS, FRDS, USMLE, MSc. Dental subjects, MRCP etc. and feel honored to stay connected to their Alma mater.

Currently total number of enrolled students in MBBS is 511 and in BDS is 223 students. In 2018, 26th batch of MBBS and 21st batch of BDS is going to be enrolled.

HCM&D is included in the list of permanent members of Pakistan Medical & Dental Council under the section of PMDC ordinance 1962 and it is accredited by Higher Education Commission of Pakistan and World Health Organization.

CLINICAL TRAINING

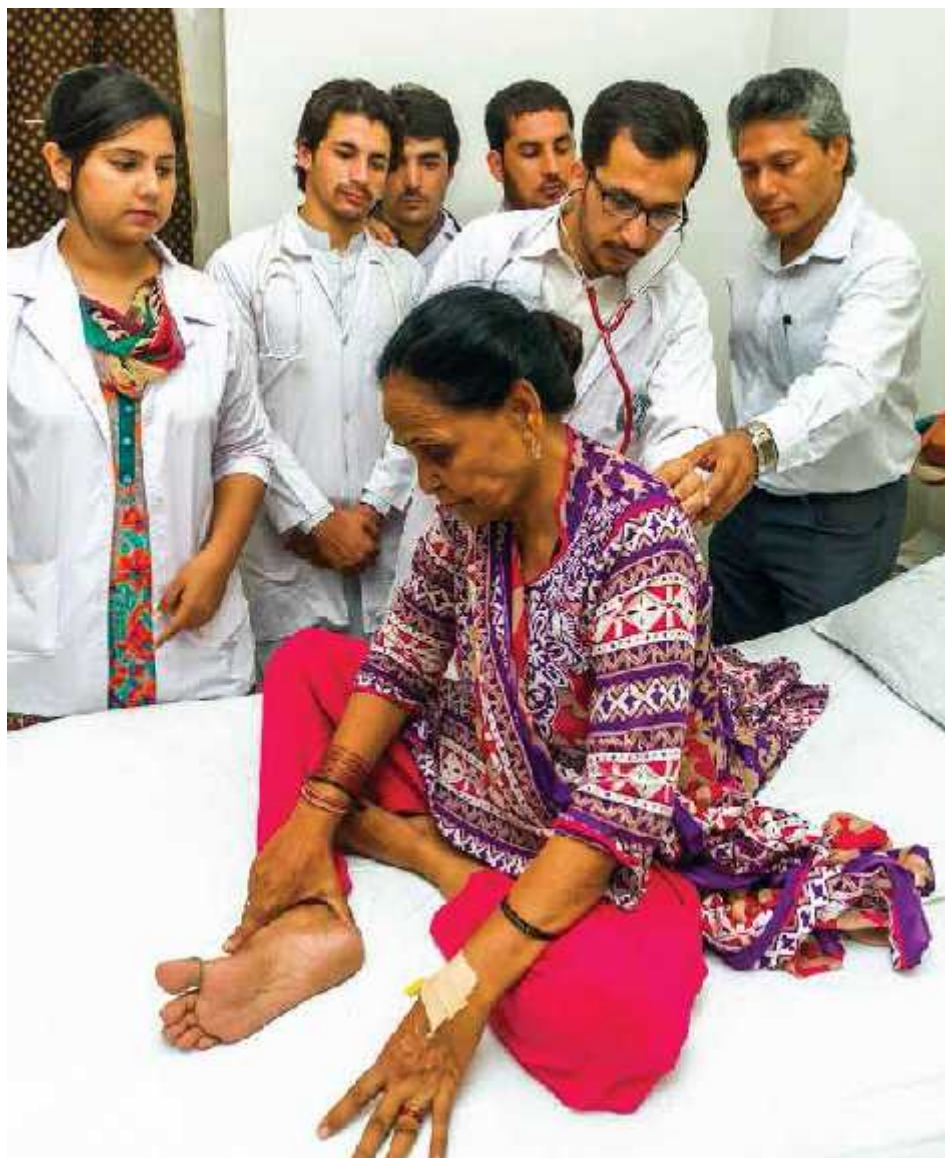

The clinical training is an integral and important aspect of medical education. Realizing its significance, the college imparts clinical training at the following hospitals:

1. Hamdard University Hospital (Taj Medical Complex) M.A. Jinnah Road Karachi.
2. Hamdard University Dental Hospital (North Nazimabad Karachi).
3. Kulsoom Bai Valika Social Security Hospital (K.V.S.S.Hospital), SITE Karachi.
4. Sindh Rangers General Hospital, North Nazimabad.
5. Naimat Begum Mother and Child Care Unit, Nazimabad.

Hamdard University Hospital (Taj Medical Complex)

Hamdard University Hospital, a 300-bedded hospital, has department of Medicine, Surgery, Gynaecology & Obstetrics, Neurology, Nephrology, Otorhino-laryngology (ENT), Radiology, Ophthalmology (EYE), Anaesthesiology, Paediatrics, Orthopedics, Dermatology and Psychiatry.

The hospital has facilities of ICU, dialysis unit, lithotripsy, physiotherapy, pathological lab, neonatal ICU, diagnostic imaging, emergency, outpatient department and, Pharmacy. It also has the facility of clinical skills lab, learning resource centre (LRC), pathological museum and a digital library for medical students.

Hamdard University Dental Hospital

Hamdard University Dental Hospital is situated in North Nazimabad Karachi which imparts (Basic Clinical) theoretical and clinical training to students in various disciplines of dentistry. It is equipped with state-of-the-art technology in dentistry.

Apart from teaching and training to students, the hospital extends its services to a large number of patients who visit this hospital for dental treatment at very nominal charges. There are 75 dental units for 50 admissions.

Admission Policy

Admission to the MBBS and BDS degree programs are on all-Pakistan basis.

Permanent residence Certificate (PRC) is not required.

Eligibility:

Those who have passed Intermediate Science (Pre-Medical) Examination with at least 60% marks in aggregate (unadjusted) from a board of intermediate or higher secondary education of Pakistan in 2017 or 2018, or those who have passed any other examination of foreign university, examination body which in scope and standard is found equivalent to Intermediate Science (pre-medical) recognized by Hamdard University.

For the purpose of determining merit, the scores of entrance test, academic record (Matric / F.Sc. /HSc.) and interview (are) will be considered and each (portion) will receive the following weightage.

Admission Test	50% (Provincial Admission Test)
Intermediate	40% (F.Sc./HSc.)
Matric	10%
Interview	Judgment of candidate

Admission will be made on merit. Nobody will be denied on the basis of cast, colour or creed. Ten seats for foreign / overseas students as per PM&DC criteria. In addition to the certificate from a registered Dar-ul-uloom, Hafiz-e-Quran candidates will also require to pass the test of Hifz-e-Quran.

Students eligible for admission to MBBS or BDS course at Hamdard College of Medicine & Dentistry are required to take an admission test conducted by NTS. As per instructions of Government and Pakistan Medical and Dental Council, passing NTS test is necessary for eligibility for admission in a medical/dental College.

Medical fitness is required throughout the Medical / Dental academic study.

Enrolment of MBBS will expire after 10 years and that of BDS after 9 years of admission.

For Foreign Students:

As per the requirement of Pakistan Medical and Dental Council, overseas students should have:

1. Three science subjects. Biology and third science subject could be Physics or Mathematics.
2. A score of minimum 550 marks in each subject, (Chemistry Biology, Physics/Mathematics) in SAT II.
3. A valid TOEFL or IELTS with a score of 500 or 5.5 respectively.

How to Apply?

Following attested documents must be enclosed with the application form:

Three passport size photographs.

- A photo copy of matriculation certificate.
- A copy of Intermediate or equivalent examination Mark Sheet.
- A copy of Certificate of Hifz-e-Quran (if applicable).
- A copy of character certificate from Head of Institution last attended.
- Equivalence Certificate from IBCC – Islamabad, from those candidates who have obtained qualification other than HSC (Intermediate).

At the time of admission, the following documents are required:

- Original Academic Certificate / Degrees.
- Medical Fitness Certificate.

Incomplete applications shall not be considered. If at any stage, a student is found to have taken admission in the college on tampered documents or on a fake statement or certificate, his/her admission will be cancelled.

- Note:
1. Any student who fails to clear First Professional MBBS Part I or II examination in four attempts (availed or un-availed) after becoming eligible for each examination, shall cease to become eligible for further medical education in Pakistan.
 2. No student is eligible to be promoted to new classes unless previous examination is cleared.
 3. Students have to pass theory and oral examinations by securing 50% marks in each component. Failing in one component will mean the student has to reappear in both.
 4. The total course has been divided in two semesters each of sixteen weeks duration. 40% of the total evaluation is done on the basis of these semesters. The remaining 60% is evaluated in the professional annual examination at the end of the academic year.
